

**In order to strengthen information and control activities aimed at the fight against corruption, the Slovak Office of Standards, Metrology and Testing established the anti-corruption hot line and a special e-mail address enabling the citizens to submit suggestions and ideas related to allegations of corruption.**

**Contact details are provided in the table.**

<b>Anti-corruption hotline</b>	<b>+ 421 2 52 49 64 11</b>
<b>Special anti-corruption e-mail address</b>	<b><a href="mailto:antikorupcnalinka@normoff.gov.sk">antikorupcnalinka@normoff.gov.sk</a></b>
