## Remarks

This EC Approval remains valid under the condition that the quality management system of the production process is maintained satisfactory.

Results of evaluation are presented in the Final Protocol No 2015/D018.

The assessment and examination of the quality management system of the manufacturer according to Slovak Government ordinance No 294/2005 Coll. on measuring instruments as amended by Government Ordinance of the Slovak Republic No 445/2010 Coll. WELM based on an evaluation of the submitted documents and on an audit on site. The approved quality management system of production process is subject to the approval according to Annex D, paragraphs 4.1 to 4.4, of the Government Ordinance on measuring instruments as later amended.

The manufacturer is obliged to issue written declaration of conformity to type of the production process according to Annex D of the Government Ordinance.

The manufacturer is obliged to provide the metrology marking for the measuring instruments. The scope of this approved quality management system of production process is subject to the approval according to Annex D, paragraphs 4.1 to 4.4, of the Government Ordinance on measuring instruments as later amended.
